- 5.1 This EULA gives the Licensee specific legal rights, and the Licensee may also have other rights that vary from one country to another. In such a case the limitations and exclusions included in this EULA shall apply to the fullest extent permitted by the laws of the applicable jurisdiction. If any part of the limitations or exclusions in this EULA is held to be void or unenforceable, such part shall be deemed to be deleted from this EULA and the remainder of the limitation or exclusion shall continue in full force and effect. - 7.3 Any Clause in this EULA that is found to be invalid or unenforceable shall be deemed deleted and the remainder of this EULA shall not be affected by that deletion.
- 7.4 Failure or neglect by either party to exercise any of its rights or remedies under this EULA will not be construed as a waiver of that party's rights nor in any way affect the validity of the whole or part of this EULA nor prejudice that party's right to take subsequent action.
- 7.5 This licence shall not be assigned by the Licensee without the prior written consent of the Licensor; except that either party may assign its rights and delegate its obligations hereunder to any affiliate, provided such assignee agrees in writing to be bound by this EULA. Any attempted assignment in violation of this provision shall be null and void. From and after the making of any such assignment and delegation by the assignor, the assignee shall be substituted for the assignor as a party hereto and the assignor shall no longer be bound hereby.
